

LONE STAR DENTAL SEMINARS

Registration has begun! Lone Star Dental Seminars (LSDS) is seeking dentists in our community who enjoy a diverse, collaborative learning environment and are ready to invest in their professional and personal development.

WHAT IS LONE STAR DENTAL SEMINARS?

Lone Star Dental Seminars (LSDS) is a Seattle Study Club affiliate. LSDS cultivates excellence in comprehensive dentistry by providing a diverse, supportive community for individuals to pursue professional and personal development while pushing boundaries and having fun.

LSDS PROMISES TO:

- ★ Create unique interactions for learning with great venues, good food, and fun.
- ★ Foster professional and personal growth through camaraderie and intellectual diversity.
- ★ Seek out top captivating speakers from across the world.
- ★ Bring fun, relevant topics to our growing practices.
- ★ Provide a professional community and resources to improve members' quality of life.

Dr. Robert J. Naples has been the Lone Star Dental Seminars director since 2004. Dr. Naples believes in education which supports his members' clinical, professional, and personal life. In addition to phenomenal, globally recognized speakers who have shared their knowledge with LSDS, Dr. Naples promotes excellence in the care of local patients by collaborating with colleagues in the community during treatment planning sessions designed to promote the best solution for patients.

Any doctor who chooses to be a part of the Lone Star Dental Seminars is a conscientious devotee to the field of dentistry and should be commended for their continued commitment to their personal and professional development.

Enclosed is the LSDS 2024-2025 calendar and registration form.
